

Warsaw, 14 May 2020

Respectable and Dear Professor Robert Walley,

With sadness we have learned about your heavy illness.

We hope that you are surrounded by the thoughtful care of family, friends and medical personnel which accompany you during this difficult time. We feel consoled by the words of Merciful Jesus directed to Saint Faustina:

„ *Suffering will be the sign for you, that I am with you* ” (Saint Faustina Diary, 669). Reassured Faustina acknowledged, that after these words „a great affection entered her soul”.

We desire to be now very close to You, to accompany You_Dearest Professor, by our trustful pray. We believe that this pray will assure essential graces from Jesus Christ, the Best Doctor.

On the nearest Sunday, the 17th of May, on the vigil of the hundredth anniversary of John Paul II day of birth, at 5.00 PM the Holy Mass will be celebrated by our chaplain rev. Wladyslaw Duda with the presence of members of Catholic Association of Polish Doctors, Mazovian branch dedicated to blessed dr Ewa Noiszewska. We will pray for your intention by intercession of Saint John Paul II.

Representatives of medical personnel still remember our common meetings in Poland. We have a pleasant memory of your lecture at the Rzeszów International Congress "Science in the Service of Life" and especially of your last presentation, on the 28th of November 2018 in the Catholic Parish of Saint Sigismund- the Church of Medical Societies in Warsaw. You were mobilized us for the pro-life action during the lecture „Do whatever He tells you”.

Fiat voluntas Tua Domine. (Let the Lord's will be done)

God bless you.

President prof. Bogdan Chazan,

Delegat dr Grażyna Rybak,
